To Whom it may concern,

I am the CEO of the Fusion Entertainment Group, an Australian owned, Melbourne based group of entertainment businesses that specialize in assisting performers to break into the Film and TV industry.

Our training division, New Faces Talent Academy (NFTA), operates in over 15 locations and have mentored performers that have gone on to work on many popular TV series including; Neighbours, Winners and Losers, House Husbands and Nowhere Boys. On top of this our performers have featured in numerous films and National advertising campaigns. NFTA's mission is to prepare Talent and then introduce them to industry professionals such as reputable Agents, Managers, and Casting Directors so they can progress on their way to a successful career.

On top of this all our performers have the opportunity to qualify to perform at The Australian Convention of Actors and Artists (The AUSCAAs). The AUSCAAs provides exposure throughout Australia as well as internationally in Los Angeles, New York, Canada, UK and New Zealand. Held once a year in Australia, The AUSCAAs is the only convention of its type in the southern hemisphere.

Conor Lowe has competed at both our local WA showcases, and our AUSCAAs with outstanding results every time. He results earned him a scholarship to attend the IMTA convention in Los Angeles with all airfares/accom and entry costs included. This is our highest accolade and is only awarded to one student out of the 1000 plus we work with each year.

Throughout these events Conor has always shown professionalism, and maturity at a level much higher than his age. So much so, that we have invited Conor to be a guest speaker and volunteer at our last 2 AUSCAAs events.

Working with Conor for almost 3 years has allowed me to know him on a personal level as well to which I can only further commend him for his maturity, courteousness and moral values. He always works diligently and his success has been a product of his determination to succeed along with a can-do attitude.

I would also like to commend Conor's family, who have been incredibly supportive enabling him to travel when required both nationally and internationally and I believe this has been a key part to the opportunities which have allowed him to show his abilities and gain so much support both here in Australia as well as overseas.

I can confidently state that Conor Lowe is not only a super talented performer but an amazing young man as well. I am pleased to offer any support and recommendation he needs for anything in his career. I truly believe he has the potential to be one of Australia's future house hold names and look forward to watching this unfold in the years to come.

Sincerely,

Craig Bradley - CEO
